IT Equipment and Access

Hanse Finanzservice GmbH (fictional sample company)

Hardware

All employees receive a laptop (Windows or macOS, by agreement), a headset and, on request, a second monitor for home office.

All devices remain company property and must be returned when you leave.

Accounts

On your first day you receive your Google Workspace account (email, calendar, Drive) and intranet access.

Two-factor authentication (2FA) must be set up within the first 24 hours. Without 2FA, the account will be locked.

Access to specialist systems is requested by your manager through the IT ticket system.

Passwords and security

Passwords must have at least 14 characters. Please use the company password manager.

Forward suspicious emails to security@hanse-finanz.example. Do not click links in suspicious emails.

The online training 'Information Security and Data Protection' is mandatory within your first two weeks.

IT support

IT support is available Monday to Friday, 8:00 am to 6:00 pm: via ticket in the intranet or by phone at extension 400.
